PROFESSIONAL SUMMARY

Backend-focused Node.js Developer with hands-on experience building scalable REST APIs, authentication systems, and database-driven applications using Node.js, Express.js, and MongoDB. Experienced in developing production-ready MERN stack applications, implementing secure JWT authentication, and deploying backend services on AWS. Strong understanding of backend architecture, API design, database optimization, and scalable system development.

TECHNICAL SKILLS

- **Backend Development:** Node.js, Express.js, REST API Design, JWT Authentication, Middleware
- **Database:** MongoDB, PostgreSQL (NeonDB), CRUD Operations, Database Schema Design
- **Frontend:** React.js, HTML5, CSS3, Tailwind CSS
- **Cloud & Deployment:** AWS EC2, AWS S3, Application Deployment, Git, GitHub
- **Tools:** Postman, VS Code, Firebase
- **Programming:** JavaScript, Python, Golang

PROFESSIONAL EXPERIENCE

Full Stack Developer Intern – Unified Mentor | Jun 2025 – Sep 2025

- Designed and developed RESTful backend APIs using Node.js and Express.js
- Implemented secure authentication and authorization using JWT
- Integrated MongoDB database for efficient data storage and retrieval
- Collaborated with frontend team to deliver full-stack production features

BACKEND PROJECTS

AI SaaS Platform Backend

- Developed REST APIs using Node.js and Express.js
- Implemented authentication, database integration, and scalable backend logic
- Built production-ready backend supporting web and mobile clients

Video Upload Platform (Next.js, Node.js, ImageKit, NextAuth)

- Built full-stack video upload and management platform
- Implemented secure authentication using NextAuth.js
- Developed backend logics for the file upload, user management, and media handling
- Integrated ImageKit for optimized video storage and deliver
- Designed scalable architecture supporting authenticated uploads

CLOUD & DEPLOYMENT

- Deployed Node.js applications on AWS EC2 servers
- Managed storage and assets using AWS S3
- Configured secure backend hosting and deployment workflows

EDUCATION

Bachelor of Technology (Computer Science Engineering)

IIMT Engineering College, AKTU | 2022 – 2026
